

Canadian winners of A+ Awards announced

April 20, 2016

by Canadian Architect

The winners of the 2016 Architizer's A+Awards, the world's largest awards program for architecture and products, have officially been decided. The program included entries from over 95 countries, with 200 winners in total and 400,000 public voters. The winners in the Typology and Plus categories will all feature once again in a hardcover book published by Phaidon, and the awards will be given out at a gala event on May 12.

The Canadian winners in the program are:

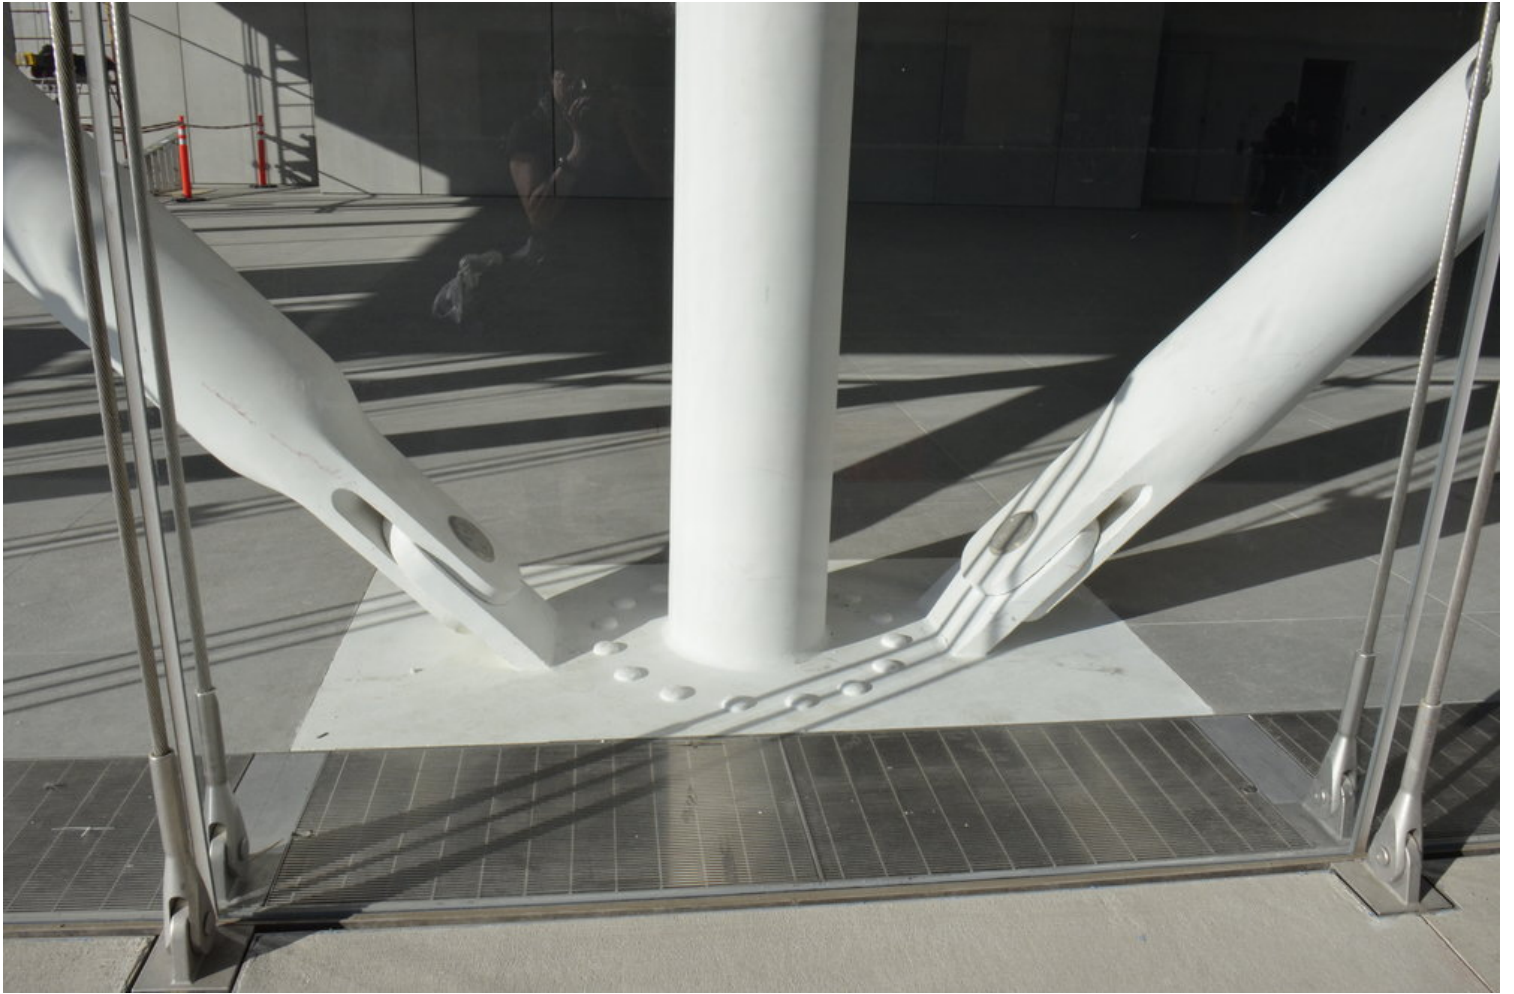

Jury Award & Popular Choice Award: TELUS Garden Office Tower by Henriquez Partners Architects

Jury Award & Popular Choice Award: Anti-Museum by Diamond Schmitt Architects/Student Project

Jury Award: Fogo Island Artist Studios by Saunders Architecture

Jury Award: CAST CONNEX Universal Pin Connectors

Popular Choice Award: Rainforest Retreat by AGATHOM Co.

Popular Choice Award: Skygarden House by DUBBELDAM Architecture + Design

Popular Choice Award: Odin Bar + Cafe by Phaedrus Studio

Popular Choice Award: Centre Hospitalier de l'Université de Montréal by CannonDesign and NEUF Architect(e)s
